MidWest America Receives 5-Star Rating from BauerFinancial

BauerFinancial, Inc. the nation's bank rating firm, has just released their new ratings for all U.S. banks and federally insured credit unions based on September 30, 2011 financial data. MidWest America has once again earned its highest 5-Star Superior rating for financial strength and stability.

BauerFinancial has been analyzing and reporting on the nation's banking system for over 25 years. It rates on a scale of 5-Stars (highest) to Zero-Stars (lowest). The rating is based on the overall financial picture of the institution, and a 5-Star rating indicates that MidWest America is one of the strongest financial institutions in the nation.

The latest ratings clearly indicate the nation's financial system is on the mend with over 42% of U.S. banks and credit unions earning its highest 5-Star rating.

During the month of December, Indiana Blood Center visited MidWest America. Our staff was able to give the *gift of life* to almost 50 people in need.
