Don't Lose Your Homestead Deduction

Beginning in 2013, individuals and married couples may lose their homestead deduction if they do not complete the homestead verification form. In 2010, HEA 1344-2009 was passed and requires that taxpayers verify their residency and eligibility for the homestead deduction.

To verify, apply, or re-apply for these deductions in Allen County, call the Auditor's Office at (260) 449-7241 or visit their website at:

For all other Indiana counties,
check with your local auditor's office.
