#MidWestGivesBack at the United Way Day of Caring and at Your Community Schools

MidWest America staff participated in the United Way’s Day of Caring in Fort Wayne on August 21st, 2019. We were assigned to the Reinaissance Pointe YMCA where we washed windows, polished steel and deep cleaned equipment to help the non-profit continue its mission of strengthening the foundations of community.

Our Affinity Card Program continues to grow with the addition of Mattoon High School in Mattoon, Illinois which brings our total number of Affinity Cards to 22. We were out at several high schools in September giving the participating schools their earnings. With every swipe of an Affinity Visa® Debit Card you are giving back to the school or organization of your choice.
