The ULTIMATE ID® program begins when you successfully validate your identity and complete the activation process. The primary and the joint account owner are required to each have their own email address. You will receive an email containing your personal activation code which is required to complete the authentication and enrollment process. To activate you must click on the link that is provided to you in an activation email. The monthly membership fee applies whether or not you activate your 3-Bureau Credit Monitoring. If you do not activate your credit monitoring, you will still be covered by Restoration Rescue. To report an identity theft incident or for assistance obtaining your activation code, please call 1.877.279.6338 and speak with a dedicated ULTIMATE ID® recovery advocate. Certain restrictions and limitations apply. Please see the Complete Terms & Conditions for details. No one can prevent all identity theft.
